# Vertical. Nature. Base.

A collaborative project by Echo Echo's Steve Batts and artist Dan Shipsides. Based at a Donegal coastal climbing location and a city exhibition base, V.N.B. is a residential experimental climbing / art / dance project that investigates the contrasting and comparable notions of climbing as sport and climbing as creative engagement. Interested people can join the camp in September (details tba) for various activities and camping. This blog is an insight into V.N.B.'s creative development.
