PHOTO BLOGGING

COULD YOU HELP US?

Young peoples' voices are important. We want to make real change for our communities and want to hear your views on the issues that matter for all of us.

You need to be aged 16 to 24 and living in NI to take part

WHAT'S INVOLVED?

Take up to 10 photographs over a two-week period about your experiences of borders and border crossings, share them with us and then meet to discuss them afterwards.

I DON'T THINK I KNOW MUCH ABOUT THAT

Don't worry. We will help you to reflect on these ideas beforehand and we'll be available anytime to discuss how it is going with you.

KNOWLEDGE IS POWER

Once we have spoken to everyone and looked at their images we will share the findings with decision-makers in our society (like youth workers, politicians and governing bodies)

WHAT'S IN IT FOR ME?

Conducting research about the world around you is good fun and this is your chance to contribute to real change. Taking part will also empower you to make your voice heard.
