Take down policy

The Research Portal is Ulster University's institutional repository that provides access to Ulster's research outputs. Every effort has been made to ensure that content in the Research Portal does not infringe any person's rights, or applicable UK laws. If you discover content in the Research Portal that you believe breaches copyright or violates any law, please contact pure-support@ulster.ac.uk

You Have to Love Them Enough to Let Them Be Wild

That's what Steve said
about the mustangs
up on Pryor Mountain –

no sugar cubes, no carrots
no coaxing, stroking, gentling
no whispering

no ropes, no tires, no pick up trucks
no dust storm swing low choppers
no Judas horse

no gathering, no holding pens
no PZP, no freeze brand
no breaking in, no putting down

no auction block, no slaughterhouse
no flank strap, no fast track
no stockyard, no consignment

no snaffles, bridles, saddles, spurs
no blankets, shoes, or blinders
no rodeo, no latigo, no cincha

no clipping, combing, currying
no conchos, braids or bells
no ranches, no reata

no binder twine for breech births
no ligatures, no doctoring
of tears & rends & bites

no vaccination, no inoculation
no sterilization
no intervention

just bales & bales
of air

seep water, galleta grass

the animal vegetable mineral
earth

exacting, punishing, available

KATHLEEN MCCrackEN
