Thanks Kevin: you and Gabriel are so assiduous that I think we've got English and History covered. It might be good to have someone else from Media, though. I'll ask Colm to nominate someone.
Best, Cormac

Cormac, Do you want a second new member? I'll ask about our Department for a volunteer if you want. Best, Kevin.

Hi everyone. We didn't replace Adam Melvin or Lisa Fitzpatrick when they moved from representing the School of Creative Arts and Technologies on this committee to more illustrious roles, so I've asked Liz Doherty, as a veteran of three successful applications, to join us in their place.
Best, Cormac
