Title: norHarmane containing ionic liquid matrices for low molecular weight MALDI-MS carbohydrate analysis: The perfect couple with E- $\alpha$ -cyano-4-hydroxycinnamic acid

Journal: Carbohydrate Research

Dear Dr. Cobice,

Thank you for agreeing to review manuscript number CAR\_2018\_632 for Carbohydrate Research

If possible, we would appreciate receiving your review by 17/Jan/2019.

Please click [here](#) to read detailed instructions on how to conduct a review.

In particular we draw your attention to the following instructions that we ask you to please follow:

- If present, include Highlights and the Graphical Abstract in the reviewing process.
- Give specific comments and suggestions, including about layout and format, title, abstract, introduction, graphical abstracts and/or highlights, method, statistical errors, results, conclusion/discussion, language and references.
- If you suspect plagiarism, fraud or have other ethical concerns, raise your suspicions with the editor, providing as much detail as possible. Visit Elsevier's ethics site or the COPE [guidelines](#) for more information.
- According to COPE [guidelines](#), reviewers must treat any manuscripts they are asked to review as confidential documents. Since peer review is confidential, they must not share the review or information about the review with anyone without the agreement of the editors and authors involved. This applies both during and after the publication process.
- Any suggestion that the author includes citations to reviewers' (or their associates') work must be for genuine scientific reasons and not with the intention of increasing reviewers' citation counts or enhancing the visibility of reviewers' work (or that of their associates).

You may submit your comments online at: [http://www.evis.com/evis/faces/pages/navigation/NavController.jspx?JRNL\\_ACR=CAR](http://www.evis.com/evis/faces/pages/navigation/NavController.jspx?JRNL_ACR=CAR). Please login as a Reviewer using your username and password.

If you cannot remember your password please click the "Forgotten your username or password?" link on the Login page.

You may access the manuscript by selecting the "Pending Assignments" link on your Home page. To submit your comments, please click on the "My Overall Recommendation". There you will find spaces for confidential comments to the editor, comments for the author and a report form to be completed.
