Subject: Recognition of your Outstanding Contribution to the AHRC

[EXTERNAL EMAIL]

Dear Professor Fleming,

I am writing on behalf of the Arts and Humanities Research Council (AHRC) to say thank you for your outstanding contribution to the work of the AHRC over the past year.

As you will be aware, the Peer Review College (PRC) is central to ensuring the robustness of the decision-making mechanisms of the AHRC. It is vital that it operates effectively and efficiently and that it holds the confidence of the academic community. College members play a critical role, not only in providing high quality reviews, but in informing and influencing the current work of the AHRC and its future direction.

In order for us to maintain the quality standard of peer reviews and identify College members who have exceeded expectations, it is important we monitor all PRC contributions and share performance data with our members through quarterly and annual reporting.

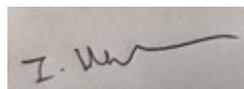

Whilst we are grateful to all our College members for their commitments to the PRC and generosity of time and effort, you have been specifically nominated by AHRC staff to receive this letter of recognition for the outstanding contribution you have made to the work of the AHRC as highlighted below.

Chair of Mock Panel at PRC Induction, Stirling
- Operations Team, AHRC

We are aware that the contributions you make to the PRC are in addition to many other commitments, both within and outside your organisation. We therefore recognise and greatly appreciate all the more the activities you have undertaken on behalf of the AHRC.

Your Head of Department and Vice Chancellor have been copied into this email in recognition of your significant contribution to the work of the AHRC over the past year.

With best wishes,

Ian Henderson
Head of Operations
AHRC
