A Mighty Armodeus, evocative of Chaos, ominous be thy name; thy kingdom come on earth. Lead me into all temptations of the flesh so I may trespass greatly into thy ways by my desires.

For thou art all sense-seeking, unify, thy mighty genitalia of creation that knoweth no salutation - grant thou my wish, for thou art power, ecstasy and actuality!

Amen

Dave Lee
modelling the improbable:
the left hand path in contemporary culture

Chaos magician Dave Lee is the current UK head of the Illuminati of Thanatos.

His work as creator, writer, magician and paradoxical sage is thought provoking and challenges our notions of reality. He has spent many years studying and researching into what we are doing here, and how we can have more fun doing it.

Dave Lee has over 20 years of experience in Magick, Sorcery and Occult Anthropology. He has worked with the Illuminati of Thanatos for many years, and continues to present workshops and lectures throughout the UK and mainland Europe. He was one of the early editors of Chaos International magazine, and is the author of Magical Industries and the Wealth Magic Workbook and creator of the Galahad Ride face.
