Ken Grant  
*Football*  
1985

Since the 1980s Ken Grant has photographed football culture in his home city of Liverpool. From youth games and local bar teams playing in district park leagues, to the weekly rituals of match days at Liverpool and Everton, he has photographed the sport -- and the city's relationship with it -- in all its forms. Rarely going inside the stadia, he has instead recorded the streets and bars outside, at the pitch sides and on buses across the city over decades. *A Topical Times For These Times, A Book Of Liverpool Football* is published by RRB.
