

# FULBRIGHT AMBASSADORS AT YOUR INSTITUTION!

By admin\_fulbright | July 15, 2016

The Fulbright Commission has recently appointed *Fulbright Ireland Ambassadors* at 3rd level institutions around Ireland. The aim is to have a Fulbright contact on campus so that students, researchers & lecturers can access guidance on how to approach their Fulbright applications.

The 2017-2018 Fulbright Irish Award Application Period opens on 31st August 2016. If you are considering applying, we encourage you to contact the *Fulbright Ireland Ambassador* at your college.

All Ambassadors are Fulbright Alumni and have experience of what is involved in undertaking the application process and of studying / working in the US. They will endeavour to meet with potential applicants (by appointment) and organise information sessions on campus when possible.

\*Please note that **Fulbright Commission Awards Managers** remain the primary point of contact for application advice and all potential applicants must contact the Commission directly at [awards@fulbright.ie](mailto:awards@fulbright.ie) for application guidelines once the application period opens.
