

Private & Confidential

Dr Pilar Fernandez-Ibanez
School of Engineering

15 October 2021

Dear Pilar,

Distinguished Research Fellowship Awards 2021

A Faculty Awards Panel has met to consider your application for a 2021 Distinguished Research Fellowship Award.

I am delighted to inform you that your application has been successful, and you are the winner of the Faculty Distinguished Research Fellowship Award for 2021. The members of the Panel were impressed by the quality of your research and you are to be commended for this level of achievement.

As Faculty winner, you have been put forward for consideration for the overall 2021 Champion Award in the Distinguished Research Fellowship Award category.

The Faculty Award would normally be presented at one of the winter graduation ceremonies. However, as decisions about the running of these ceremonies are still being considered by the University, we are not currently in a position to confirm arrangements. We will be in touch again once we have more information.

In order to access the £1,000 prize associated with this award you should contact Phil Doherty, DFO, CEBE (pj.doherty@ulster.ac.uk) who will provide the relevant details, including the timescale for any expenditure.

Many congratulations on this most deserved recognition of your work. I'm happy to discuss the outcome at a time of mutual convenience.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Dewar Finlay'.
