Dear Christopher McHugh,

It is our great pleasure and honour to announce that your application has been accepted. We welcome you as a new Member of the International Academy of Ceramics. We congratulate you on this achievement which rewards your passion for ceramics.

This year, the IAC welcomes 151 new members to its ranks.

As a member, your name is visible on the "Members" page of the IAC website: <http://www.aic-iac.org/membres/>. We invite all members to regularly update their profile with photographs of recent work and publications.

The members' section is a personal and private space, which allows you to consult previous Bulletins as well as the IAC Statutes, to vote on matters relating to the association, to consult your invoice and to pay your annual fees, and/or to make a donation to the IAC. **The annual fee must be paid at the beginning of the year, no later than March 31st of the current year.**

Take advantage of your visit of the IAC website to discover the composition of the current Board, the activities related to UNESCO, or to learn more about the next Congress 2022. **The 50th IAC Congress will be held from 12 to 16 September 2022 in Switzerland. This event will be held in Geneva and its theme will be "Melting Pot".**

It would be a pleasure to meet you at the 2022 Congress and an opportunity for us to celebrate your membership and to introduce you personally to the members.

The 2022 Congress website is online at the following link: <https://geneve2022.aic-iac.org/en/>. More information on the Congress programme will be added progressively in early 2022.
