Dear Cathal,

Re: Theme Lead Application

Thank you for your application for the position of Cardiac & Vascular Physiology Theme Lead and sending further information as requested by The Society's Conferences Committee.

We received a number of applications of a high standard, and I am delighted to inform you that your application has been accepted after receiving widespread support from the Conferences Committee.

Attached are the current terms of reference for Theme Leads for clarity and we can inform you that for 2022 the support provided by The Society per Theme will be £700. This is to support your attendance at our Annual Conference, which in 2022 will be Europhysiology 2022 in Copenhagen.
